#### Brief Overview

Bandhan Mutual Fund Small Cap Fund is an open-ended equity mutual fund that primarily invests in small-cap companies with high growth potential. The fund aims to generate long-term capital appreciation by identifying emerging businesses across various sectors. Over recent years, it has delivered strong returns compared to many peers in the small-cap category, though it comes with relatively higher market volatility and risk. The fund is suitable for aggressive investors with a long-term investment horizon of at least 5-7 years. Its portfolio diversification and active management approach help capture growth opportunities in India's expanding small-cap segment.
